Friges, Tassels, Jimps,

We are displaying this week the most elegant variety of entirely new designs in Fringes, Tassels, Gimps and Ornaments that has ever been shown by any house on the Pacific coast - In ombre and shaded goods we have special novelties which cannot be clsewhere obtained at any price. No lady who contemplates making or frimming a handsome dress cloak or dolman can in justice to herself neglect inspecting our exquisite collection, and ascertaming our very reasonable quotations for the handsomest goods in the line.

LELLIS BROS. & CO.

Lace Ties. You are invited to examine a specially

attractive importation of entirely new Lace Collars, Fichus, Bibs and Ties. These goods pass but through our hands from the manufacturers, and you can purchase them from us at retail at the same figures which other dealers pay for them. The goods will be neatly displayed upon our center tables this week in sample lines, and we shall be very much pleased if you will call in to acquaint yourselves with the coming styles.

IELLIS BRCS. & Co

Ricbons, Satins, Brocales

Grecian, Roman and Turkish designs in Ribbons, Satirs and Brocades have been received by us by us by express during the past week. As productions of art they are well worthy the admiration of all lovers of the beautiful. In checks and plaid ribbons -all widths, all combinations and all qualities—our assortment is immense. The satins and brocades to which we call your attention are all the leading season's shades in New York and Paris. We claim to move step by step with these cities in style and prices, and not one remove behind them. We urge nobody to purchase; we urge everybody in their own interest, to inspect the stock.

MELLIS BROS. & CO.

TO CENTLEMEN.

Ticuna Inderwear.

We request the attention of all gentlemen to the underwear which we intend to introduce this season. Our attendants will be pleased to explain its many advantages. We are now opening Vicuna Underwear Shirts and Drawers. handsomely stitched and bound in silk, at \$1 each, which are better goods, of more intrinsic value, than anything heretofore offered within 50 per cent, additional cost — We should also like to introduce to the public a new line of novelties in Silk Ties and Velvet and Satin Scarfs, improved patterns. Also an attractive line of Gents' Hosiery.
